President Crites said work is almost complete on the Fitness Club's first comprehensive e-mail list, which will allow the FC to communicate with its entire membership at the same time.

Treasurer Tyler reviewed how the Charter Clubs are looking at the duplication of similarly themed classes among the various Charter Club members, i.e., as many as four individual Charter Clubs feature Zumba classes.

The tentative reopening of the FC's Zumba, Sculpt 45 and Jazzercise classes scheduled for Sept. 21 was discussed in great detail. The SCW Rec Center Board's numerous rules for the resumption of classes were reviewed. Topics included the wearing of masks, a limit of 35 members per class, social distancing, Covid-19 screening before class, and the relocation of all classes to Palm Ridge Rec Center. The 35-member limit will be handled on a first-come, first-serve basis.

Secretary Mike Bianchi will prepare a document explaining these rules for immediate distribution to the Instructors, Monitors, and Class Reps involved. In addition, he will prepare e-mails to the general membership explaining the tentative reopening procedures for distribution on 9/12 and 9/20.
