

## **FITNESS CLUB BOARD MEETING**

Monday, September 28, 2020

In attendance: Vicki Crites, President                      Ruthie Blauvelt, Vice President  
Mike Bianchi, Secretary  
(Treasurer Cheryl Tyler out of town on this date)

President Vicki Crites called the meeting to order at 9:05 AM.

Last week's successful reopening of Jazzercise and Zumba classes was discussed, including the challenges of social distancing and exercising while masked. Instructor Lisa Friedman has not committed to resuming Sculpt 45 classes as of today's meeting.

Bulk of today's meeting revolved around the Oct 5 reopening of the Fitness Club's Water Classes at Palm Ridge: Water Aerobics & Fitness, Deep Water Exercise, and H2O Fitzi with Mitzi.

President Crites announced a new instructor for Deep Water, Diana Thielen. (Previous instructor, Sherry Johnson Traver, was not interested in continuing the class.) She said both Instructors Thielen and Mitzi Cerecedes of H2O were on board with resuming classes the week of Oct 5. Vice President Ruthie Blauvelt said that WAF instructor Bill Benson was currently out of town and would not return until November 1.

President Crites said she would speak to the Rec Center's Phil Dauterive regarding the reopening and a schedule of classes. She will send out an e-mail to FC membership regarding this information.

Secretary Mike Bianchi is to prepare an e-mail regarding the election of FC officers for 2021. New rules allow the current FC Board to continue into the New Year with a simple yes/no vote from the FC membership. If membership does not approve this plan, then a formal election with a slate of officers, etc., will need to be held in November.

V-P Blauvelt discussed the printing of new FC membership cards for 2021.

The meeting was adjourned at 10 am.
